

Braided Love Infinity Scarf By Crochet Rox

I originally designed this scarf in 2014 for a Magnifique fashion show with Victoria Henley. I have recently updated the pattern with modern colors, and a bulkier yarn.

Materials:

Main Color (MC) 1Charisma by Loops and Threads Bulky yarn 109 yds

Accent Color (AC) 1Charisma by Loops and threads Bulky yarn 109 yds

Optional Button for decoration

L hook (8mm)

Yarn needle

Stitch markers or safety pins for holding sections together.

Gauge: 5 hdc X 4 rows = 2" X 2"

Pattern notes:

Finished scarf is approx. 44 inches long and 6 inches wide.

The scarf is worked in rows, braided and then sewn together at the end. The first stitch in each row is worked into the same st as the beginning chain.

First braid section: with MC

Row 1: chain 78, work 1hdc in to the 2nd ch from hook, and in each st across (77 st) ch 1 turn

Row 2: 1hdc in each st across (77 st) ch 1 turn

Row 3 & 4 repeat row 2, (77 st) fasten off and change color to AC

Second braid section: with AC

Row 1: chain 78, work 1hdc in to the 2nd ch from hook, and in each st across (77 st) ch 1 turn

Row 2: 1hdc in each st across (77 st) ch 1 turn

Row 3 & 4 repeat row 2, (77 st) fasten off and change color to MC.

Third braid section: with MC

Row 1: Chain 78, work 1hdc in to the 2nd ch from hook, and in each st across (77 st) ch 1 turn

Row 2: 1hdc in each st across (77 st) ch 1 turn

Row 3 & 4 repeat row 2, ch 1 (77 st) do not fasten off.

Edging:

Row 1: Turn work so that sections 1 2 and 3 are in order in front of you, and sc evenly into the sides of each section. You should have approx. 13 or 14 stitches at the end. Ch 1 turn

Place a stitch marker anywhere on this side to mark as the "right" side of the work.

Row 2: hdc in each st across, ch 1 turn

Rows 3-5 repeat row 2, fasten off

Lay work down with edging on top, and the 3 sections straight. Braid the 3 sections, not too tightly.

When you are happy with how it looks, take stitch markers or safety pins, and pin the free edges of the sections so that they are attached at each corner and straight.

Repeat the directions for the edging on this edge do not fasten off yet.

You can stitch the edges together by sewing them, or you can do what I did and slip stitch them together on the "wrong" side. However you join them, fasten off and weave in all of your ends securely.

Sew on button if desired.
